

**Editor's Comment:**

In light of all three reviewer's comments and revision exhibited by Authors, I recommend the revised version of this article for publication in SAJRM. I request to correct following error in title: The word 'pool' is used two times in title; I request to remove it from second place.

**Editor's Details:**

Dr. Ravi Raghavbhai Sonani  
Division of Radiation Biology & Health Science, Bhabha Atomic Research Centre, Mumbai
