

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_49931
Title of the Manuscript:	COPROLITES PRODUCTION OF NATIVE EARTHWORMS IN BRAQUIARIA FIELDS UNDER BIOFERTILIZATION
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ul style="list-style-type: none"> - Unify dry season with drought season - The conclusion presented in the abstract is like a summary of the results. It must be written based on the objectives - On line 69, there is a parenthesis that does not correspond - It would be correct to specify below the table 2, the meaning of uppercase and lowercase letters - In materials and methods, it is necessary to place what the biofertilizer is made of and with what it is enriched - In line 131, the units are not correct, that is, it says: 3.32 t / ha⁻¹ and it should say: 3.32 t / ha. Review similar errors (line 132, 136) 	<p>Corrections have been done as per suggestion</p> <p>Done</p> <p>Corrected and revised</p> <p>Corrected</p>
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
