

SDI Review Form 1.6

Journal Name:	Journal of Energy Research and Reviews
Manuscript Number:	Ms_JENRR_50479
Title of the Manuscript:	A Circular Light Bulb Economy: Framework for Sustainable End-of-Life Management of Modern Light Bulb
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The study lacks clear statement of purpose or motivation. 2. Theoretical undergird is absent 3. Tables and Figures must be correctly labelled and sources of information cited. 4. In-text citation is very poor, it must be improved upon. 5. Final references are not appropriately presented. 6. All other tables should be presented in the format shown using the supposed Table 1. 7. The article is highly unstructured. 	The manuscript has been thoroughly modified
Minor REVISION comments	<ol style="list-style-type: none"> 1. Check for spellings and grammatical issues. 	
Optional/General comments	Though the topic is novel, however, I would suggest the article be converted to "a case study report". This would better suit the structure of this manuscript.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
