

SDI Review Form 1.6

Journal Name:	Asian Journal of Biotechnology and Bioresource Technology
Manuscript Number:	Ms_AJB2T_51241
Title of the Manuscript:	Fermentation of feed ingredients as potential strategy to improve health and reduce opportunistic infection in fish farming
Type of the Article	Review Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The attached file is the copy of the reviewed paper. The paper is good to fly. I have highlighted some minor area that need to be corrected before final publication of the paper. kindly inform the author to click on the comment box on the attached file to see minor observation that need to be modified. Finally, the author need to include the constraints and challenges of fermenting feed ingredient or better still challenges of using probiotics in fish farming in the review article. Lastly, i could not do or say anything about the listed references in the article since i do not know best adopted referencing method of Asian Journal of Biotechnology and Bioresource Technology. Though i always prefer to use Apa method on my own.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
