**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                 | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments |                                                                                    |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      |                                                                                    |                                                                                                                                                                               |
| <b>Optional/General</b> comments    | no clear purpose of the study; DPPH only cannot be considered antioxidant activity |                                                                                                                                                                               |
