I see that this research is a good in this area, but it's better if authors can indicate the tha species names of some plants which are finished by spp and add the voucher number as provided by herbarium	<ol style="list-style-type: none"><li data-bbox="1130 359 1665 386">1. I have indicated species scientific names<li data-bbox="1130 386 1896 474">2. We are unable to provide the voucher number as these herbarium samples were kept bulk in the Botanic laboratory without numbering them.
