EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>The manuscript is informative and deals with an important as well as actual clinical subject.</p> <p>However, It was not prepared according to the Instructions.</p> <p>The list of references has to be rechecked and uniformed.</p> <p>Most of pronouns should be omitted and the passive voice ore commonly applied.</p>	<p>Thank you the necessary corrections have been effected.</p>
