

Reviewers Comments:

The revised manuscript needs to be carefully proof-read to correct numerous errors before final evaluation. In addition, please instruct the author to activate the "Track Change" function in Word for preparing the revised version.

Author's Comment:

Accordingly, we revised the manuscript and now, I would like to re-submit it for your consideration for publication as original research papers in *journal of Advances in Medical and Pharmaceutical Sciences*. The amendments are highlighted in yellow in the revised manuscript, and our point-by-point answers to the reviewers' comments are attached below. This manuscript has been edited and proofread by Elsevier Language Editing Services.

Thank you again, and I hope that the revision is acceptable. I am looking forward to hearing from you soon.
