PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<p>The manuscript is interesting, bringing new information about the use of aromatherapy in other areas. It can be published, but with some revisions and additions:</p> <ul style="list-style-type: none"> - to add more information on the chemical composition and therapeutic actions of the essential oil of C. aurantium. - Some phrases (which are yellow in the text) must be rewritten. - What solvent did the essential oil dilute? - "aroma" with essential oil should be replaced <p>Although, only some minor spelling errors were seen, a revision in English language style is desirable, thus becoming the text more comfortable, clearly and fluent to readers. The manuscript can be published, but with some revisions. The corrections and the requirements mentioned in the original manuscript, highlighted in yellow.</p> <p>All valuable comments were done</p>	
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
