**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	No	
<b>Minor</b> REVISION comments	The manuscript requires minor corrections by the authors to improve on quality and make it acceptable for publication in your highly esteemed journal. These issues are highlighted in the manuscript.	
<b>Optional/General</b> comments	I have reviewed the manuscript titled "Diversity, Ethnobotanical potential and sustainability assessment of plants used by traditional healers to treat human cancer in Boyo Division, North-West Region, Cameroon". The manuscript recorded detailed information on anticancer plants in Boyo Division, in the western highland of Cameroon. I found this title interesting and appealing to the reading audience of <i>European Journal of Medicinal Plants</i> . The abstract, methods, results and discussions are logically and systematically presented.  The study is scientific and constitutes an important addition to the knowledge in this field.	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
