

Editor's Comment:

I suggest that the manuscript can be accepted for the publication in the ACRI after the following minor revisions.

The title of Table 3, the term "Raw" is changed to "raw".

The title of Table 4, the term "Vitamins" is changed to "vitamins".

P7, L5: The unit of concentration is mmol/ml but it is umol/ml in Table 5.

Which one is correct?
