

**Editor's Comment:**

The paper (AJAEES 48259) CAN BE ACCEPTED FOR PUBLICATION WITH SLIGHTLY IMPROVEMENT: THE CONCLUSION IS TOO SHORT; IT CAN BE EXPANDED A LITTLE BIT BY ELABORATING WHAT DOES THE AUTHOR MEAN WITH "SCIENTIFIC RECOMMENDATIONS" AND WHY HE/SHE SAID THAT MANAGEMENT PRACTICES IN GENERAL WERE BETTER IN SMALL FARMERS THAN IN MEDIUM AND LARGE FARMERS; ALTHOUGH, PERHAPS, THE AUTHOR ALREADY MENTIONED/EXPLAINED BEFORE IN THEIR RESULTS AND DISCUSSIONS.
