

**Editor's Comment:**

In my opinion, the revised version of the manuscript number 2019/CJAST/48629 can be published since it meets the comments of both reviewers.

**Editor's Details:**

Dr. Elena Lanchares Sancho  
Assistant Professor, Area Continuum Mechanics and Theory of Structures Department of Mechanical Engineering Ebro River Campus, Bldg Betancourt, University of Zaragoza Maria de Luna, s / n. 50018 Zaragoza
