

**Editor's Comment:**

DECISION on the Manuscript number: 2019/JAERI/49166

The paper is well structured and organized and the literature review is exhaustive. As the author made the needed editing and the paper looks fine and will be suited to be published, I recommend the paper to be accepted.

**Editor's Details:**

Dr. El-Sayed Ewis Omran  
Soil and Water Department, Faculty of Agriculture, Suez Canal University, Egypt
