

Editor's Comment:

Referring to the submitted paper:

We have carefully analyzed the evaluation process and the final paper. Review have significantly contributed to the improvement of the paper. However, at this moment the paper can only be accepted for publication after academic finishing.

The following are required:

1. Carefully correct the paper so that all decimal places are separated by a point (.). In many places the comma (,) appears.
2. Drawing up the paper according to JEAI instructions.
