

Editor's Comment:

Please find attached my final decision for manuscript number 2019/JEAI/48674. My decision is: Accept after minor revision.

Following evaluation of all documents related to the manuscript I agree with the Reviewers that the manuscript is acceptable for publishing in Journal of Experimental Agriculture International. Although, the manuscript was corrected in accordance with reviewers' suggestions and requirements, additional revision is still needed.

- According to the Journal requirements AUTHORS' CONTRIBUTIONS should be added.
