Journal Name:	<a href="#">Journal of Scientific Research and Reports</a>
Manuscript Number:	Ms_JSRR_24873
Title of the Manuscript:	Grooming telecommunications network: Optimization replicas and techniques

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
<p>In this fourth version of the manuscript reviewed the authors proceeded in an honest and systematic revision upon the former versions of their study. We also thankfully agree with the authors' argumentation upon their prototype work, comparing to previously published papers. Therefore, this fourth version of the manuscript reviewed sustains novel features that are worthy publishing at the JSRR and we recommend that it can be published at the JSRR as is.</p> <p>Warm congratulations to the authors for their excellent work!</p> <p>Warm thank you to all reviewers for their constructive and systematic work throughout the revision turns of the manuscript, up to its current publishable status.</p>
