

Editor's Comment:

The author did not answer to the questions (please see under) from one of reviewers. Please answer to the questions.

5. There must be a comparison between the previous work and work search

6. The conclusion unclear please rewrite conclusion

7. Research needs to be more modern references

The paper is just an introduction of Kingview. As a research paper, please summarize and compare difference and advantages among Kingview and other systems. The author can show the merits of using Kingview in actual operations.
