

Editor's Comment:

With reference to the manuscript : EFFECT OF DIFFERENT COMBINATIONS OF NPK AND BIOFERTILIZERS ON ZINNIA (*Zinnia elegans* J.) "

I have gone through the reviewer's comment and the manuscript

the manuscript was not up to the mark, there are so many incomplete sentences and grammatical errors

the manuscript doesn't follow the scientific pattern in the conduct of experiments with valid data

it needs major revision and resubmission
