PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The work evaluated parameters of the quality of maize-soy flour blends in different storage situations. It is a simple but important study for the food industry. However, the text is poorly written, the parameters are without units, the discussion of the results is confusing, and the conclusion is incomplete. In the file I send attached are my corrections, however the entire manuscript should be revised.	Thank you Corrections noted and corrected accordingly
Minor REVISION comments		
Optional/General comments
