EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>I accept the manuscript (2019/AJAEES/48571) for publishing, because there are empirical results interesting and useful in local level.</p> <p>However, I am asking from the author/s to give in the title the full explain of AKIS (Agricultural Knowledge Information System) and to be avoid the use of abbreviation.</p>	<p>Yes , we can use (Agricultural Knowledge Information System) in place Of AKIS and i have already sent the revise paper as per the recommendations.</p>
