

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Research in Animal and Veterinary Sciences
Manuscript Number:	Ms_AJRAVS_46134
Title of the Manuscript:	Proximate composition dried liquid fluid with spray drying method with various hydrocolloids
New Title:	Proximate composition dried ruminal fluid with spray drying method with various hydrocolloids
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<ol style="list-style-type: none"> 1. The abstract should capture the title properly and there is need for consistency (essential minerals/ minerals). 2. In the introduction, there is no need for the 4th and 6th citations likewise first and secondly. 3. The last part of the introduction ('no research has been reported') requires justification. 4. Revisit materials and method and bold where necessary. 5. Revisit results and discussions and be consistent on ruminal fluid and ruminal liquid. 6. How many samples were taken for laboratory analysis? 7. The conclusion and recommendations should be within the scope. 8. Please revisit the references and adhere with choice of the journal. 	<p>Yes. I changed.</p> <p>Yes.I changed.</p> <p>Because the rumen fluid has not been dried by this method, this sentence was brought.</p> <p>Yes,I changed.</p> <p>Because there are no articles in this scope and this method of drying. Can not expand the discussion</p> <p>Three examples.</p> <p>Yes.I changed.</p>
