General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>It is necessary to correct the scientific name of bean; it's <i>Phaseolus vulgaris</i> L. Please, pay attention with it!</p> <p>Abstract: Please, check the sentence: "The aim of thestudy (...)". Pay attention with it and make a review in all text to avoid that again.</p> <p>Introduction and Discussion: According to GUIDELINE FOR AUTHOR (available in http://www.sciencedomain.org/journal/83/authors-instruction) "in the text, citations should be indicated by the reference number in brackets []". Please correct that.</p>	Corrected
Minor REVISION comments		
Optional/General comments	It is necessary to check the text formatting. In the abstract, for example, there are diferents font size.
