

SDI Review Form 1.6

Journal Name:	Asian Journal of Research in Animal and Veterinary Sciences
Manuscript Number:	Ms_AJRAVS_48705
Title of the Manuscript:	Effect of ZnO Nanoparticles on Protein Fractions of Some Plant and Animal Protein Sources Using CNCPS Method
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper's title does not correspond with the study. Please, You adjust it, you didn't evaluate the ZnO. Please, You review the material and method chapter, you complete it to be more clear. Please, You review the results that are different in the text to the table and adjust it.	That is right. Requested items are done and the paper's title corrected with the study as is: Protein Fractions of Some Plant and Animal Protein Sources Using CNCPS Method Due to the use of low doses of zinc oxide and the absence of significant effects in both the title and the results of the discussion with zinc oxide nanoparticles were eliminated.
Minor REVISION comments	Please, you correct some typing errors.	Words with typographical and grammatical errors corrected.
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
