**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	<p>Please add a brief botanical description of the species, some new data on chemical composition and therapeutic actions, and new bibliographic references.</p> <p>What would be the antimicrobial or antimycotic action mechanism? Please add a brief botanical description of the species, some new data on chemical composition and therapeutic actions, and new bibliographic references.</p> <p>What would be the antimicrobial or antimycotic action mechanism?</p> <p>The manuscript can be published, but with some revisions.</p> <p>The corrections and requirements mentioned in the original manuscript, highlighted in yellow.</p>	<p><b>Botanical Description:</b> Willow-Leaf Justicia is an erect, branched, smooth undershrub 0.8-1.5 m tall. The leaves are lance-shaped, 7-14 cm long, 1-2.5 cm wide, and pointed at the ends. The rather small flowers are borne in 4-12 cm long spikes, at the end of branches or in leaf axils. The teeth of the sepals cup are smooth, linear, and about 3 mm long. The flowers are about 1.5 cm long, white or pink, with purple spots. The capsule is club-shaped, about 1.2 cm long, and smooth. Willow-Leaf Justicia is found throughout India and SE Asia.</p> <p><b>Chemical Composition:</b> A wide variety of biologically active constituents such as flavonoids, alkaloids, steroids, terpenoids, saponins, phenolic compounds and carbohydrates are present in this plant. The leaves also contain friedelin, lupeol, <math>\beta</math>-sitosterol and aromatic amines.</p> <p><b>Therapeutic actions:</b> This plant exhibits anticancer, antibacterial, hepatoprotective, antioxidant, anthelmintic and antiangiogenic activities.</p> <p><b>References corrected as per Journal format</b> <b>Corrected the yellow highlighted text.</b></p>
<b>Optional/General</b> comments		

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
