PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The abstract is still poorly written.</p> <p>The introduction is poorly written. It has to be improved.</p> <p>The referencing style in the body of the work is not in line with SDI authors' guideline. it has to be done sequentially. 1, 2, 3 and not 18, 28, 12. Revise.</p> <p>There are lots of grammatical errors in the manuscript and the manuscript is generally poorly referenced.</p> <p>The references are in not in line with SDI authors' guideline.</p> <p><i>There is no reason for me to stress the author, but these points above must be attended to. The author also needs to highlight the changes he made in yellow per time.</i></p>	<p>Abstract and introduction have been improved as raised by the reviewer.</p> <p>All points raised have been addressed.</p>
