**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p><b>Change manuscript title to</b>  <b>"Solid Waste Handling and Treatment: A case for Malaysia"</b></p>	
<b>Minor</b> REVISION comments	<p>lead to detrimental .....plularize  nongovernmental .....non-governmental  They then silently make their wayfurther .....recast  the handling waste .....the handling of waste  will degrades the environment.....will degrade  wastewastethat is.....remove one waste  Therefore, electronic devices .....recast sentence  Organic waste contributes to most of the household waste.....change to.....organic  waste is a major contributor of household waste...  However, awareness toward waste recycling is poor .....rephrase sentence.  landfills for it to be composed .....should composted or decomposed?  now led to global warming.....largely contributed to global warming  table 6  The saste minimisation hierarchy .....is it correct?  item purchased in order to solve the situation .....It did not solve the problem.....hence it  should be significantly reduce or largely cut down  there is no still no programme organized by .....recast sentence  batteries and DIY .....give full meaning of DIY at first mention  Y. Moh, L.A. Manaf[1].....wrong citation plz correct  it aimesto focus on the general..... recast sentence  also a special syste for .....plz correct  Summary ofliterature survey.....change it to "Findings and Outlook"  In the event open burning is spotted.....in the event where open burning has occurred  In the event open burning is spotted.....change it to "conclusion and recommendation"</p> <p>The article was interesting, long and time demanding to read.  However Kudos to the authors. I would suggest the authors design  a simple schematic diagram of 3Rs which should conceptualize and fully reveal  their idea....Also there was no sentence referral of table 6 in the whole test</p>	<p>1. lead to detrimental .....plularize  <i>In the revised manuscript, it is changed to 'lead to'.</i></p> <p>2. nongovernmental .....non-governmental  <i>In the revised manuscript, it is revised as suggested.</i></p> <p>3 They then silently make their wayfurther .....recast  <i>In the revised manuscript, it is revised to: 'These plastics makes their way'...</i></p> <p>4. the handling waste .....the handling of waste  <i>In the revised manuscript, it is revised as suggested.</i></p> <p>5. will degrades the environment.....will degrade  <i>In the revised manuscript, it is revised as suggested.</i></p> <p>6. wastewastethat is.....remove one waste  <i>In the revised manuscript, it is revised as suggested.</i></p> <p>7. Therefore, electronic devices .....recast sentence  <i>In the revised manuscript, it is revised to ... 'electronic devices'...</i></p> <p>8. Organic waste contributes to most of the household waste.....change to.....organic waste is a major contributor of household waste...  <i>In the revised manuscript, it is revised as suggested.</i></p> <p>9. However, awareness toward waste recycling is poor .....rephrase sentence.  <i>In the revised manuscript, it is revised to ... 'However, lack of awareness toward waste recycling may cause the segregation of waste into their proper categories challenging [1].'</i>...</p>
