PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>This is an interesting topic. Here are some suggestions:</p> <ol style="list-style-type: none"> 1. The introduction section clearly explains the background of the study area as well as the population in question. However, it does not mention previous academic research on the topic. Therefore a "Literature Review" section will be necessary and it can be placed just after the introduction section. 2. The referencing styles need to be rectified 3. It is necessary to move the recommendations which are in the introduction section and create a recommendations section at the end of the manuscript. 	<p>Appreciate the feedback and suggestions. Corrections are highlighted</p> <ol style="list-style-type: none"> 1. Some more review on earlier study has been added 2. Reference styles rectified as required 3. The recommendations in the introduction are placed in the conclusion as recommendation
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
