

SDI Review Form 1.6

Journal Name:	European Journal of Medicinal Plants
Manuscript Number:	Ms_EJMP_46960
Title of the Manuscript:	Cynara cardunculus L. var Cynara scolymus L. extract reverse D-galactose-induced skin aging changes in enzymatic antioxidant defense system in rats. New, correct: Ageing induced hyperproduction of reactive oxygen species and dysbalance in enzymatic link of skin antioxidant defense system and therapeutic efficacy of artichoke extract
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
