

SDI Review Form 1.6

Journal Name:	European Journal of Medicinal Plants
Manuscript Number:	Ms_EJMP_48539
Title of the Manuscript:	Phytochemical and Mineral Characteristics of SaponaceousPlants
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The abbreviations in the abstract should be written in full FTIR; XRF	Fixed: as indicated by the Reviewer, the abbreviations are now defined at first mention in the revised manuscript.
Minor REVISION comments	The pictures and table being after the text ??????? I believe it would make the reading and understanding better if put at portion or points of discussion	Figures and Tables had been placed at the end of the manuscript because the author guidelines (http://www.sciencedomain.org/journal/13/authors-instruction) state that "Research Papers and Short Notes should follow the structure of [...] Ethical approval (where applicable), and References plus figures and/or tables." They have been relocated inside the text, immediately after the paragraphs in which they are mentioned, as suggested by the Reviewer.
Optional/General comments	Good English language	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
