

**SDI Review Form 1.6**

Journal Name:	<a href="#">Journal of Advances in Microbiology</a>
Manuscript Number:	Ms_JAMB_48118
Title of the Manuscript:	A study of the microflora of air environment of rooms sprayed with different aerosols
Type of the Article	Original Research Article

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. I suggest the modification of the topic to 'The Effect of aerosols on the air microflora of the indoor air'.</li> <li>2. The manuscript is too lengthy. It should be concise and direct with the information intact. Consider removing some subheadings highlighted in the Materials and Method. Its not a dissertation or thesis but a report.</li> <li>3. Consistency in the use of Mobil.... Your abstract said mobile.</li> <li>4. Also, the names of the microorganisms are not properly spelt and arranged. Please consider doing the needful. Space should be between the genus and the species and then italic.</li> <li>5. Line 32. Use comma instead of semi colon.</li> <li>6. Line 91. The numerous objectives are not necessary. State the justification of the work and statement of the problem in a concise manner.</li> <li>7. You did not specify how long the plates were exposed to the air before spraying the insecticides and air fresheners.</li> </ol>	<p>The topic has been changed to: 'The Effect of aerosols on the air microflora of the indoor air'.</p> <p>Line 32 and 91 has been addressed</p> <p>Comment 7; 10 minutes was the time interval used before and after spraying the room with insecticides. It was in the text (line 139)</p>
<b>Minor</b> REVISION comments	Just make all the necessary corrections.	
<b>Optional/General</b> comments	A good manuscript.	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
