<b>EDITORIAL COMMENT'S on revised paper (if any)</b>	<b>Authors' response to editor's comments</b>
<p>I have gone through the manuscript and made corrections which are very much essential and needs to be required.</p> <ol style="list-style-type: none"><li>1. Italics non italics</li><li>2. Reference citation etc.</li></ol> <p>All corrections are in RED highlight. Reference needs to be verifies. Journal citation is not in uniform.</p>	<p><b>I write to very sincerely thank the editor for his thorough review. I have effected all the corrections as highlighted in red in the reversed manuscript.</b></p>
