EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>I have read carefully the comments of the reviewers and the revision. I don't think the revision meet the revisions raised by the reviewers.</p> <p>Discussion is to short and must be extended with more new relevant literature. Discussion is scanty and results should be discuss more and supported with recent citations.</p>	<p>The discussion was improved based on the observations pointed out.</p> <p>The discussion is longer and has been improved.</p>
