<p>The contents and the contribution of the article seem interesting with local applications. However, a careful checking of the English language is strongly recommended with several grammatical mistakes and lengthy sentences. The texts of the article have to be better structured and correctly written. Some of my corrections are in green in attachment.</p> <p>Also the calculation of the combustion heat needs checking.</p>	<p>Thank you for the review. I have corrected all grammatical mistakes and also reduced lengthy sentences as pointed out.</p> <p>I think the calculation of the combustion heat is correct as I have made thorough findings concerning it. Water is given off as gas rather than liquid, as some people fail to understand. Also, all values in the reaction are accurate according to my findings.</p> <p>Thank you.</p>
