EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>This is a useful contribution. However, the authors should show how consistent or inconsistent their work is with earlier and recent studies. They should also what the current research has contributed to knowledge. Same can be captured in the last paragraph of the conclusion. Authors should also ensure that they have followed strictly, the house-style of the journal. there are few typographical errors.</p> <p>Adu-Gyamfi, S. (2019).
