

Response to Editorial Comments

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
1) English language should be improved as there are many grammatical mistakes in whole manuscript. 2) There are formatting issues in whole manuscript (for example, after eq. (6) & (9), "in the limit $\square\square 0$..." etc.) . Therefore, author should revise carefully. 3) There are formatting problems with all figures. The captions and legends are not correct.	1) We have rectified many grammatical mistakes in the manuscript and made many modifications in the text. 2) Needful done. 3) All the captions are corrected accordingly.
