

**SDI Review Form 1.6**

|                          |                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">South Asian Research Journal of Natural Products</a>                                      |
| Manuscript Number:       | Ms_SARJNP_48827                                                                                       |
| Title of the Manuscript: | Effect of using whole meal of different grains and their mixtures on different properties of macaroni |
| Type of the Article      | Original research papers                                                                              |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                                                                         | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | <ul style="list-style-type: none"> <li>The author Should rephrase the title and rewrite the abstract</li> </ul>                                                                                                            | <p><b>Done</b></p> <p>The new title: Evaluation of untraditional Macaroni Formulated by Using Different Grain Meals and Their Mixtures</p>                                    |
| <b>Minor</b> REVISION comments      | The author should use proper referencing style and be consistent too. The author should check the places I highlighted in the work and use the correct style. Also, the whole body of the should be reread to spot others. | done                                                                                                                                                                          |
| <b>Optional/General</b> comments    | General a good work but author should take the above corrections serious.                                                                                                                                                  | done                                                                                                                                                                          |

**PART 2:**

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
