

SDI Review Form 1.6

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_47821
Title of the Manuscript:	Impacts of Coal Stockpile on Soil and Water
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link: (<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	ABSTRACT is not written to the style of the journal. REFERENCES in the text are not to the style of the journal (i.e. Harvard style is NOT used for this journal). REFERENCES at end of article have to be organized to the style of the journal (NOT Harvard style). Element K and P should be spelled out in figures to assure that readers understand what metal is being discussed.	
Minor REVISION comments		
Optional/General comments	This study presents a large amount of useful data and information that will be of substantial interest to environmental chemists. The Figures are informative and support the study. The manuscript presents a large body of data. Following the mandatory revision (see above) this paper should be ACCEPTED for publication.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
