However, here are a few suggestions.</p> <ol style="list-style-type: none"> <li>1. <b>Since</b> this study aimed to measure growth rate between import and export over a 54year period, will would be beneficial to incorporate TIMES SERIES approach to see the changes in this trend.</li> <li>2. Please check the referencing styles</li> <li>3. It would be helpful to create a literature review section</li> <li>4. This manuscript is too short. Many concepts have been mentioned in passing. It can pay off to go deeper in most important information- therefore adding more meat to the manuscript.</li> </ol>
