

SDI Review Form 1.6

Journal Name:	Asian Journal of Applied Chemistry Research
Manuscript Number:	Ms_AJACR_46669
Title of the Manuscript:	SURVEY OF COMMON PESTICIDES USED IN STORAGE OF AGRICULTURAL PRODUCE WITHIN MAKURDI, BENUE STATE NIGERIA.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstracts are suggested to explain the research objectives, research problems and research methods used. Conclusions are not mentioned in the abstract	
Minor REVISION comments	The purpose of the study has not been well explained so that the research method has not been explained as the purpose of the study is planned. An explanation of the theoretical framework and research conceptual framework is needed to explain the relationship between the variables studied. It becomes difficult to explain the research conclusions caused by the research objectives and research methods needed.	
Optional/General comments	Additional explanation is needed related to: a. The population used in determining sampling is population data in 2006. b. Method for determining the number of samples	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
