**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>This is a very interesting article. The approaches used as well as methodologies are great. Here are a few suggestions of changes that can be made.</p> <ol style="list-style-type: none"> <li>1. The abstract should include the results of the research to enlighten the readers on the whole idea of the rest of the manuscript once they read it.</li> <li>2. Please include a "Literature Review" section in the manuscript.</li> <li>3. This manuscript consists of only 3 references. While it is important to put across ideas clearly and concisely, the underlying factor is that the literature should be sufficient to enable you to base your assumptions. Here are some insightful papers you may sight to broaden the literature review.:                      2.1) <a href="https://www.researchgate.net/profile/Namwiinga_Nkolola/publication/316476919_Economic_Significance_of_Agriculture_for_Poverty_Reduction_The_Case_of_Zambia/links/5900967b0f7e9bcf65460ba7/Economic-Significance-of-Agriculture-for-Poverty-Reduction-The-Case-of-Zambia.pdf">https://www.researchgate.net/profile/Namwiinga_Nkolola/publication/316476919_Economic_Significance_of_Agriculture_for_Poverty_Reduction_The_Case_of_Zambia/links/5900967b0f7e9bcf65460ba7/Economic-Significance-of-Agriculture-for-Poverty-Reduction-The-Case-of-Zambia.pdf</a>                      2.2) <a href="http://www.ijmae.com/files/accepted/286_final.pdf">http://www.ijmae.com/files/accepted/286_final.pdf</a>                      2.3) <a href="http://siteresources.worldbank.org/DEC/Resources/84797-1114437274304/Dethier_ES_Agriculture%26Development2012.pdf">http://siteresources.worldbank.org/DEC/Resources/84797-1114437274304/Dethier_ES_Agriculture%26Development2012.pdf</a></li> <li>4. This paper has been written in the "first person" i.e. the writer uses phrases like "our country" "our people" etc. It will help if it can just be written as neutral as possible. The readership should not know that the writer is from this country as they are reading.</li> <li>5. It is also helpful to include past literatures from other countries other than yours, to show the broader understanding of the topic</li> </ol>	
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The third line in the abstract has a "... Now a days..." in it. I'm sure that was supposed to be "nowadays" this changes the meaning of the whole phrase.</li> <li>2. Many phrases in this manuscript are MISLEADING. Please find someone to help with the grammatical errors herein.</li> </ol>	
<b>Optional/General</b> comments
