SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	This manuscript includes several observations of a project related to sustainable agricultural system. So, in my opinion it is more convenient publishing these results as a poster presentation or research report in scientific meetings.
