SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The English language of the paper is not good. I send the manuscript with colour codes. GREEN equals new suggested replacements, BLUE means DELETE, RED means check. For example terms like SLDI are not defined at first use. Similarly on page 4 the terms SDI, EEI etc are defined a long time later than where they are first used/ Table B1 needs to re-formatted perhaps as LANDSCAPE. Page 6 description of spider diagrams appears after Tables. This should go earlier to help the reader. Finally, there are several good papers on the specific problems relating to tourism development, sustainability etc why were these not cited? For example Ahmed 2013 International Journal of Management and Social Sciences Research (IJMSSR) ISSN: 2319-4421 Volume 2, No. 4, April 2013 Sustainable Tourism Development in Uttarakhand Region of India https://www.oxfamindia.org/sites/default/files/2018-10/WP8UttarakhandDevpEcoSustainabiit3.pdf http://greencleanguide.com/sustainable-tourism-a-case-study-of-nainitaluttarakhand/ Ahmed 2013 International Journal of Management and Social Sciences Research (IJMSSR) ISSN: 2319-4421 Volume 2, No. 4, April 2013 i-Xplore International Research Journal Consortium www.irjournals.org 106 Sustainable Tourism Development in Uttarakhand Region of India Dr. Nawaz Ahmed, Lecturer, Govt. P.G College Rajouri, J&K, India</p> <p>My RECOMMENDATION is that it be ACCEPTED after incorporation of referees' suggestions.</p>
