

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Medicine and Medical Research
Manuscript Number:	Ms_BJMMR_31745
Title of the Manuscript:	The Effect of chronic occupational exposure to petroleum products on Haematological and biochemical parameters
Type of Article:	Original Research Paper

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The comments are still the same The kidney function and antioxidant parameters should be included (the data is insufficient) The answer to the second point is still unclear (the dose of exposure could be measured) amount of vapour /hour X time of exposure That would be enough for accepting the paper</p> <ul style="list-style-type: none">Analysis of the vapour would be a good addition
