**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                               | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <b>Good manuscript.</b>                                                                                                                                                 |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | Make necessary corrections as highlighted in the manuscript. Italic names of microorganisms. Also, make some corrections in spellings and adjust space where necessary. |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                         |                                                                                                                                                                                      |
