

SDI FINAL EVALUATION FORM 1.1

PART 1:

| | |
|--------------------------|---|
| Journal Name: | International Journal of Pathogen Research |
| Manuscript Number: | Ms_IJPR_44048 |
| Title of the Manuscript: | Comparative Evaluation of Combinations of Extracts of Euphorbia abyssinica and Coleus species for Antifungal Effects |
| Type of Article: | Original research papers |

PART 2:

| FINAL EVALUATOR'S comments on revised paper (if any) | Authors' response to final evaluator's comments |
|---|--|
| <p>I think the writing improved a lot, but I think that you don't put continue the number 20 to refer the same. You only put on final the sentences. The same for number 27. The figures are adequate, but unclear to understand them in a simple way, by virtue of different times. I advise you to better perform them by time and comparing the different strains.</p> | |
