PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. I suggest the modification of the topic to 'The Effect of aerosols on the air microflora of the indoor air'. 2. The manuscript is too lengthy. It should be concise and direct with the information intact. Consider removing some subheadings highlighted in the Materials and Method. Its not a dissertation or thesis but a report. 3. Consistency in the use of Mobil.... Your abstract said mobile. 4. Also, the names of the microorganisms are not properly spelt and arranged. Please consider doing the needful. Space should be between the genus and the species and then italic. 5. Line 32. Use comma instead of semi colon. 6. Line 91. The numerous objectives are not necessary. State the justification of the work and statement of the problem in a concise manner. 7. You did not specify how long the plates were exposed to the air before spraying the insecticides and air fresheners. 	
Minor REVISION comments	Just make all the necessary corrections.	
Optional/General comments	A good manuscript.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
