

SDI Review Form 1.6

=

| | |
|--------------------------|--|
| Journal Name: | Journal of Experimental Agriculture International |
| Manuscript Number: | Ms_JEAI_44573 |
| Title of the Manuscript: | Maize response to leguminous biomass composted with phosphate rocks in the Northern zone of Tanzania |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | <p>Author has a great output but should package it in a compelling state i.e. this is what my study has brought to fore. As it is, all is not clearly linked to "adding to the knowledge of science".</p> <p>This is something more tied to expression rather than data – expression of the key punchlines could be done at a sitting.</p> <p>Otherwise, good research work!</p> | |
| Minor REVISION comments | Check on obvious typos and sentence flow. See attached PDF. | |
| Optional/General comments | N/A | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
