Minor REVISION comments	1. The paper needs a very careful proof-reading as there are many typos and grammatical errors. 2. Introduction part is insufficient. You are expected to make a problem presentation. Why did you feel the need to study this subject? 3. The title and the content are disconnected. The title should be revised. You emphasized the "change of ruling parties" in your title. This article summarizes what has been done in Taiwan, in tourism since 2000. What are the characteristics of different ruling parties and their different policies?
