PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is quite a good and complete paper. It needs to be edited for English use and, more specifically, formatting the text. Text in the footnote should be incorporated into the main body of the text. The claim for contribution to academic knowledge should be strengthened. The conclusion should incorporate the research limitations and suggestions for future research.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
